@MTA You have got to be kidding me... there has not been a day since I've started taking the subway that there isn't a **delay**.

@MTA @Billde Blasio @NYCTSubway  
@NYGovCuomo R train is the worst so taking  
the N and guess what...standing still on the  
bridge.

Another day, another delay. I'll say it again, man is it hard to get home from  
work. Never thought abt leaving NYC more than this past year.
